TOMMY BOLIN ARCHIVES NEWS

I just posted a new page in our Photo Gallery. The page features photos of the Tommy Bolin Band on October 4, 1976 at the Cleveland Agora. The photos were taken and submitted by **Brian Chalmers**. The show was broadcast shortly after on WMMS Radio, and Brian was able to record three songs using a mono mic into a recorder (that's all he had on hand at the time). I did some restoration work on the audio last weekend and posted it today along with the photos. I am not aware of any other existing audio for the TBB Cleveland show, so in spite of the low sound quality this new arrival is significant. I posted all three songs in one piece so that I would not have to do fade ins and out; you can hear it as it went down. The running order is Teaser, You Told Me That You Loved Me, and then Shake the Devil. That is an interesting order, because many TBB shows of this period followed Teaser with People People. To view the photos click the button at the bottom of the red area at the top of this page, or go to our Photo Gallery index page and click on button #10. Some viewers may need to refresh their browser window to see the updated button properly. Our thanks go out to Brian for sharing these rare shots and audio.
